

How will we teach in autumn?

In autumn we will offer regular Mainhattan Music Together in-person-classes and Mainhattan Music Together Online classes.

For families who feel more comfortable online, we will offer a live online class on Monday at 5 p.m.. These families will have one video (about 20 minutes) and one live online class every week (about 25 minutes).

All the other classes are supposed to be **regular in-person classes**, still in the mode of the pandemic with social distancing and hygiene rules but in-person. Currently the adult participant must meet one of the following requirements to join an indoor class:

- a negative result of a Corona test, not older than 48 hours
- fully vaccinated against COVID-19 (second vaccination at least 14 days old)
- recovered from a proven infection with SARS-CoV-2 (a positive result following a PCR test at least 28 days previously but no more than 6 months ago)

For the autumn semester we will schedule six families at CTK and five families in Sachsenhausen, they will meet in the classroom for a 45 minute class each week. The classes will not be interchangeable.

We will teach in the classroom as long as we are allowed to do so, If the numbers of infections increase again and we are not allowed to teach in-person anymore we will switch to online classes.

If we have to meet online, you will have an online live class at your regular classtime and one additional video.

If we teach in-person and the teacher shows symptoms of a Covid-19-desease or has to stay in quarantine and we do not have a substitute, the in-person-class will be replaced with an online live class. Of course we will try to offer an extra class at the end of the semester, but we cannot guarantee rescheduling

Policies of Mainhattan Music Together

Registration Policy

Families who join our classes for the first time are asked to fill in a page-long registration form, so we can submit your personal information to our computer system and are able to contact you properly. Naturally we treat this information confidentially and don't even dream of passing it on to anyone else without your consent. We will call you or write an email to confirm your registration.

As a family returning for a new semester of Music Together classes we already have all your personal details. Therefore, you can just send us an email to continue classes at the same time and location that you have been visiting the previous semester. **With this email you agree to our terms and conditions and you are properly registered for the new semester.** We will send you a confirmation mail and will also contact you if anything goes wrong and we need to offer an alternative class to you.

Payment for the semester is due upon registering.

Make-up Class Policy

Because the groups will (most likely) not be interchangeable in autumn in-person make up class won't be possible. If you miss your in-person-class you can join the online live class on a Monday or you can make up the class with the videos of the week - you can experience these classes whenever it fits into your weekly schedule.

Refund/Cancellation Policy

If you notify us in writing **prior to the registration deadline specified on the registration form** that you need to cancel your registration, we'll refund your payment after deducting an administrative charge of 50 Euros.

While we hope, and expect, to hold each class we offer, we must reserve the right to cancel or postpone any session or program that does not meet our minimum participant number requirement. **We encourage you to register early since doing so reserves your space and also helps prevent class cancellations.**

If it becomes necessary for us to cancel an entire session or program, we'll notify you in writing and either refund your payment in full, or issue you a refund which is proportionate to the number of your class meeting times held by that point and the total number of planned meeting times for your class. Please keep in mind that the materials/access codes are part of the tuition- so the refund for one week without class will be 10 €.

Sibling fee: If we have to switch to online classes because the regulations of the government will change, we will refund 9,50 € of the sibling fee for every week we have to hold online classes.
