How will we teach?

We will offer regular Mainhattan Music Together in-person-classes.
Families who register for the semester will meet in the classroom for a 45 minute class each week.

If the teacher is sick and we do not have a substitute, the in-person-class will be postponed to the end of the semester. If we are not able to reschedule the class you will get a partial refund (12 € per week).

We will teach in the classroom as long as we are allowed to do so.
If the government will change the rules and we are not allowed to teach in-person anymore we will switch to online classes. Then you will have a 45-minute online live class at your regular classtime every week.

Policies of Mainhattan Music Together

Registration Policy

Families who join our classes for the first time are asked to fill in a page-long registration form, so we can submit your personal information to our computer system and are able to contact you properly. Naturally we treat this information confidentially and don't even dream of passing it on to anyone else without your consent. We will call you or write an email to confirm your registration.
As a family returning for a new semester of Music Together classes we already have all your personal details. Therefore, you can just send us an email to continue classes at the same time and location that you have been visiting the previous semester. **With this email you agree to our terms and conditions and you are properly registered for the new semester.** We will send you a confirmation mail and will also contact you if anything goes wrong and we need to offer an alternative class to you.
Payment for the semester is due upon registering.

Make-up Class Policy

We want to see you every week, but naturally we understand that scheduling conflicts may occasionally arise. If you notify us (the office) in advance at least 24 hours before your class time that you won't be able to join us, your absence will qualify for a make-up. Our office will offer you a make-up session during one of our other classes as space is available on a first come, first serve basis. We will try to provide at least one make up opportunity for every family.

Refund/Cancellation Policy

If you notify us in writing **prior to the registration deadline specified on the registration form** that you need to cancel your registration, we'll refund your payment after deducting an administrative charge of 50 Euros.
While we hope, and expect, to hold each class we offer, we must reserve the right to cancel or postpone any session or program that does not meet our minimum participant number requirement. **We encourage you to register early since doing so reserves your space and also helps prevent class cancellations.** If it becomes necessary for us to cancel an entire session or program, we'll notify you in writing and either refund your payment in full, or issue you a refund which is proportionate to the number of your class meeting times held by that point and the total number of planned meeting times for your class. Please keep in mind that the materials/access codes are part of the tuition- so the refund for one week without class will be 12 €.
